Gina is Sci-Fi Hottie of the Month for July, 2007, on the long-running Brawny Lads independent filmmaker website.

Alongside esteemed female actors such as Angelina Jolie, Jessica Biel, Kirsten Dunst, Jennifer Connelly, and Uma Thurman, Canadian actress Gina Holden has earned the esteemed spot of Sci-Fi Hottie of the Month on the Brawny Lads website.

The Brawny Lads have been making independent films since before making independent films was cool (before YouTube and MySpace). Their website is more than just a showcase for the group's short films. The Brawny Lads website is a community, complete with tips and tricks for filmmaking, gaming, free software, and links to other cool things on the Internet.

The Sci-Fi Hottie of the Month editor, Grand Marquee, takes pride in spotlighting strong women in film, especially in the sci-fi or fantasy genres. The selection of Gina Holden for sci-fi hottie, July 2007 makes a great addition to the list.

Gina will be starring in an upcoming Canadian TV series based on the comic strip Flash Gordon.

Gina has also wrapped up a role in the upcoming sequel to the Alien vs. Predator movie, Aliens vs. Predator. Gina plays Carrie Adams.

Gina has appeared in other sci-fi projects such as the film Butterfly Effect 2 and the TV series Supernatural. In addition, she has appeared as a regular character in the fantasy TV series Blood Ties. All of these notable appearances in the sci-fi and fantasy genres, along with Gina's amazing acting talent and screen charisma has given Gina Holden a well-earned spot among some of the most highly esteemed and highly paid female actors in the business as Sci-Fi Hottie of the Month!
